الاشتراك في قاعدةPsychology Database لفترة تجريبية
ppu pdf.pdf

Psychology Database (trial till end of April 2009 from eIFL) **http://psycnet.apa.org PsycARTICLES** select articles in subject areas such as applied psychology, health, theory, research, social/personality, and more. Here you can find full-text articles from journals published by the American Psychological Association, the APA Educational Publishing Foundation, the Canadian Psychological Association, and Hogrefe Publishing Group. This database currently covers 60 journals, many from the first volume published.**PsycBOOKS** full-text books. Here you will find books published by APA, classic books from the 19th and 20th centuries, and entries from the Encyclopedia of Psychology. Searching this database allows you to find chapters from a variety of books. For example, if you are looking for information about obsessive-compulsive disorders, you will find not only entire books on the subject, but also individual chapters with obsessive-compulsive disorder as the subject matter. **Note:** Student or staff member can access to this E-Database is only from within the university. **Library of ppu**
