

# PPU library is currently trialing SAGE Research Methods Online (SRMO) until the end of June 2012

## 2012 ppu pdf.pdf

,Dear Colleague

PPU library is currently trialing [SAGE Research Methods Online](#) (SRMO) until the end of June 2012 via an arrangement with EIFL

?What is SAGE Research Methods Online

An award winning innovative new online resource from the world's leading research methods publisher

- A dynamic research tool with annual content upgrades and evolving features
- A one stop methods shop for researchers and students in the social and behavioural sciences
- More than 100,000 pages of book, journal and reference content from leading global authors
- Specially commissioned videos about research methods with some of SAGE's top authors
- methods, theories and terms, across qualitative, quantitative and mixed methods 1,400

:Check it out and discover these sophisticated features

[Browse content](#) – SRMO includes over 100,000 pages of SAGE's research methods book, journal, and reference content

- Faceted search tools to refine or extend each search into related topic areas
- Visual and standard text search functions to respond to your preferences

[The Methods Map](#) – an exciting and innovative visualization tool that can be used to discover relationships between methods, to discover new methods and to find content related to them

[SRMO Lists](#) – lists of content within the product that you have selected and want to share through this product

[Web Resources](#) – including teaching and learning resources, free statistical software and information on research organizations, research ethics and social networking sites for academics

[Video Tutorials and User Resources](#) – providing information and tutorials on how to use SRMO in

your library, classroom, or on your own for all your research needs
